

Guidelines for Poster Session Abstracts

Abstracts will only be accepted from registered conference attendees and they must be submitted in electronic form by sending an e-mail to contact@bioalps.org.

The e-mail must have this subject: "EBAC 2008 – Poster Session Abstract", must include the contact details of the lead/presenting author, while the abstract must be sent as an attachment in word (.doc) format.

Photocopies, faxes or paper submissions will not be accepted.

1. Abstracts must conform to the following guidelines:
 - a. Abstracts must be submitted in English.
 - b. Abstracts must be 200 words or less.
 - c. Titles and text should be in upper and lower case as appropriate.
 - d. Authors should be listed as lead/presenting author, followed by co-authors (all authors should be listed with first and last name).
 - e. Affiliations (organizations, city state/country) should be provided for all authors.
Please group authors by organization.
 - f. Each abstract should contain a sentence stating the objective, a brief statement of methods, a summary of the results obtained, and a statement of conclusions drawn.
2. You must obtain the approval of all co-authors before placing the names on the abstracts.
3. Presenters must be present in the exhibit hall to present their abstract when required.

Abstracts will be evaluated for scientific merit by an abstract review Committee. The decision to accept or reject an abstract lies solely with the Committee.
