

YOU

are a young academic or a company less than 3 years old?

YOU

are working on bioinformatics or proteomics research and technologies?

Then YOU should send your findings by October 10th 2008 to contact@bioalps.org

for the next:

Bridging Public and Private Research
On Bioinformatics and Proteomics

December 3rd -4th, 2008

Geneva, Switzerland

The selected abstracts will allow the main author to attend the Convention free of charge!

The best poster for each topic category will be awarded with 1'000 CHF!
